Dear Lou:

This will acknowledge receipt of your recent letters concerning your financial and other arrangements with us. As you know, Mr. Houston has been in communication with your attorney, and, in order that the situation will not become confused, I have asked him to answer directly to Mr. Katzenbach. I understand he has done so and I am writing this letter to request that you get in touch with Mr. Katzenbach at your earliest convenience so that we may bring our negotiations to a conclusion.

Sincerely,

Lyman B. Kirkpatrick
